Kenosha County Fair FAQ's for Exhibitors:

Q: Who can enter exhibits?

A: Anyone. However, you must be the owner of and the individual who grew, built, created or raised the exhibit you want to enter.

Q: What does it cost to enter?

A: It depends on your age and whether you are entering the Open Class or Junior Fair. Please see the admission section of the Premium Book.

Q: Can I enter an exhibit in more than one department?

A: An individual item can only be entered in one department. Individuals can only enter one item per class number per person.

Q: What types of awards/ribbons can I win?

A: The types of awards and ribbons vary by department. Ribbons and premiums paid are listed in each section of the Premium Book.

Q: How are the exhibits judged?

A: There are two types of judging systems used at the Fair – the American and the Danish. Under the American System, the judges evaluate all exhibits in the department and select only one first, one second, one third and so on in each department (Open Class). Under the Danish system, judges evaluate each exhibit on its own merits (not compared to others) and may give more than one first, one second, one third and so on (Junior Fair).

Q: Where can I get a Premium Book?

A: You can pick a copy of the Premium Book up at the Fair Office, located at 30820 111th Street, Wilmot, WI 53192 OR on the website: www.kenoshacofair.com. Entry forms are available online and in the Fair office.

Q: How do I enter an exhibit?

A: You will need to complete an entry form (either Open Class or Junior Fair). Simply select the Department, Division and Class for each item/animal you want to exhibit. Fill in all of the information required on the entry form and return it to the Fair Office or your organization/club General Leader prior to the deadline. We suggest that you include all items you are intending to exhibit. It is best to enter and not bring an item, rather than pay the late entry fee once the deadline has passed.

Q: I need more lines than are on the entry form, what should I do?

A: You are permitted to copy the blank entry form if you require additional lines for entry. Please remember to put your name on each additional sheet.

Q: When do I bring my exhibit to the Fairgrounds?

A: Please refer to the specific department in the Premium Book as well as the charts on page 8 and 32 of the Premium Book. All entries (with the exception of animal entries) must have an entry tag attached to the item.

Q: Who can I call with questions?

A: You can contact the Fair Office at 262-862-6121. If they cannot answer your question, they will put you in contact with the Department Superintendent.

Q: What are the rules to enter exhibits?

A: Please see the General Rules for all Exhibitors on page 5 of the Premium Book and additional rules within each department entered.

Q: Does my entry have to stay at the Fair all week?

A: Yes, all entries must remain at the Fair until official release time. Exhibitors should have their claim tag to pick up item.

Q: Is there a way for youth to exhibit in the Open Class?

A: Yes! Department 156 allows youth ages 5-17 the opportunity to enter exhibits and compete against Exhibitors in their age bracket. Age brackets are: 5-8, 9-12, and 13-17.

General Rules for All Exhibitors:

Please check with the General Leader of your organization/club for exact deadline date for your club.
- B. All exhibitors in the Junior Fair must be members in 4-H, FFA, FHA or any other youth organization having adult leadership in Kenosha County. Adult leaders must be confirmed by their organization and must show educational plan from their organization to the Kenosha County Fair Executive Board prior to February 1st of the year the organization wishes to participate in the Fair. The Executive Board has the authority to approve organizations participation into the Fair. Junior Fair members in kindergarten, 1st and 2nd grade will be judged with 4-H Cloverbuds only. Exhibitors in the above-mentioned groups are required to be in Grade 3 as of January 1 of the exhibit year and through one year past high school.
- C. Entries by youth will be disallowed from showing at the Kenosha County Fair if there is not a record of their enrollment in one of the county youth organizations with their address. 4-H youth entries will be disallowed if the youth does not have an approved enrollment in 4-H Online by May 1st. A 4-H Club Leader will certify entrants are registered for countywide projects and are members in good standing. Project certification for entries outside of county wide level projects is not necessary.
- D. Exhibits in the Junior Fair must be a result of the exhibitor's project or projects in which he or she is currently enrolled, and must be the result of the member's own labor during the current school or enrollment year.

An entry form for both the Junior Fair and Open Class must be submitted by the respective deadline dates.

If it is impossible for an exhibitor to be available at this time, their representative may bring the exhibit to the judge. Youth are strongly urged to participate in the fair face-to-face judging. Youth who do not participate in the face-to-face judging will have their entry automatically lowered one placing. In addition, the judge will have the right to further lower the exhibit placing if the judge is in doubt that it is indeed the youth's project.

- AA. Animal Project Standard Sheets must be signed every year and must be strictly adhered to.
- BB. Participation in Kenosha County Fair events, pre-fair judging, meetings of related activities implies parental/exhibitor permission regarding the use and distribution of your image, including but not limited to your name, voice and likeness (image). - CC. The Kenosha County Fair requires that all exhibitors grades 3 through one year past high school exhibiting an animal in the Beef, Dairy, Goat, Poultry, Rabbit, Sheep, or Swine projects participate in Youth for the Quality Care of Animals (YQCA), a national program focusing on food safety, animal well-being and character development. Located inside the Kenosha County Fair main gate is a taste of yesteryear. See the old tractors, engines and machinery from a time gone by. You are likely to see:

- An old-fashioned pitcher pump to draw water
- A rope maker which makes rope from bailing twine – make a rope of your own to take home!
- How corn was ground into feed
- John Deere, Allis Chalmers and Farmall Tractors – along with many others

The Antique Tractor Parade will start at the Antique Farm Machinery Exhibit and head to the Grandstand area at 6PM on Thursday of the Fair.

If you have any old engines, tractors, horse drawn equipment, garden or farm equipment, tools or any farm related paraphernalia you would like to display, please join us in the Antique Machinery Exhibit and have some fun displaying your toys!
